## 8 PICCK

### PICCK EdCity Student Scheme

This year, EdCity will launch a brand-new student incentive scheme. Built upon **five developmental areas (PICCK)**, the program combines a series of activities, learning projects, events, and competitions to help students identify and develop learning characteristics, hence enriching their learning journey. The PICCK EdCity Student Scheme encompasses the Chinese language, English speaking, creative writing, values education, reading, science and general studies, computational thinking, artificial intelligence, and more. Under the scheme, prizes will be offered to both schools and individual students. Teachers and students are encouraged to stay updated on EdCity's latest developments in the coming year.

#### Positive Mindset and Value

To face situations with a positive mindset, bringing a positive impact to oneself and others

#### Innovation and Creativity

To dare to explore, blending creativity and imagination to unlock infinite possibilities

#### Communication and Collaboration

To practise listening, inclusivity, and collaboration with others, harnessing the spirit of teamwork

#### Citizenship

To honour civic responsibilities by actively engaging in community service, safeguarding national interests, and upholding the national image

#### Knowledge and Skills

To embrace lifelong learning and enrich knowledge and skills, integrating theory with practice to lay the foundation for personal growth

## 9 About EdCity

Hong Kong Education City (EdCity) provides a one-stop professional education portal (EdCity.hk) with information, resources, interactive communities and online services. With the vision of ‘Actualising Future Ready Education’, EdCity continuously develops and introduces new services since its establishment, and endeavours to promote and provide all-round support to all schools in Hong Kong to adopt eLearning and innovative education.
